2) The removal of the Leper Asylum to the new buildings on the Nagesi road has rendered it necessary to make other arrangements for the clerical work of the Lepr Asylum. For the first time in the Medical budget for 1914-15 the Senior Surgeon included in the budget of the Leper Asylum a provn of Rs 60 on account of allowance to Munshi, under the authority of G.O. of 22.8.03. The Senior Surgeon's estimate was retained in the budget for that year though the Comptroller in his note on the budget estimates for 1914-15 suggested the omission of the provn referred to. The provn has, however, been repeated in the current year's budget also. The clerk of E.D. Hospl is stated to be doing the clerical work of the Leper Asylum and it seems fair that some remuneration should be given to him for the work done by him. If Branch II has no objection, the allowce recommended may perhaps be sanctd.

Sir,

I have the honor to state that provision has been made in the budget of the Leper Asylum for an allowance of Rs 5/- a month to a Mutsaddi. No separate literary hand can be secured for doing the work but the same is being attended to by the Clerk of the Epidemic Diseases Hospital, which is in the same compound as the Leper Asylum. As it is but reasonable that the Clerk should get remuneration for the extra work done by him, I request that sanction may kindly be accorded to the Clerk of the Epidemic Diseases Hospital drawing an allowance of Rs 5/- per mensem, which he deserves, for doing the clerical work of the Leper Asylum.

2. I may add that when the Leper Asylum and the Lunatic Asylum were in one compound, the Sergeant of the latter was drawing a similar allowance for doing the work of the Leper Asylum (vide Government Order No. G.1210-11 9.9.39-92 dated 22-8-1903.)

I have the honor to be,
Sir,
